## **INTRODUCTION**

Cosmic International Academy (CIA), a complete academic institution, is centrally located in Kathmandu at Koteshwor. It is a modern and dynamic educational institution with outstanding academic programs (10+2) in Science, Management and \*Humanities/ Law (Proposed).

CIA provides a safe learning environment that enables critical thinking and risk taking, and calls forth a love of learning. It recognizes each student as a unique individual with own special set of strengths and talents and emphasizes on inquiry, teamwork, mutual respect, and collaboration.

CIA is a reflective, self-critical institution that focuses on processing learning and teaching. The achievements and progresses it has attained in the recent years are the strengths: it is ambitious in its desire to continue to improve. The positive relationship among students, staffs and parents is what CIA is proud of. Hence, CIA is simply learning to succeed.....

## **MISSION**

*"Broaden your horizons and achieve big as we empower your dreams"*

*Our mission is to evoke a love of learning and motivation to succeed through creativity, righteousness and perseverance. CIA pursues students in a thorough and balanced national curriculum, educates them to realize their full potential, and invigorates them to be successful and responsible citizens.*
